25 years as an MPI member

Cindy Dervech

How long have you been in the Meetings/Event business?

Over 40 years

During that time, what would you say has been your best experience?

Meeting some amazing planners and suppliers - and proud to call many of them my friends.

Why did you first join MPI?

For the education to stay current in our industry and to build solid relationships.

What committees/volunteer opportunities have you been involved in during your membership?

So many, I was on membership, events and logistics to mention a few. I used to be the raffle queen!

What's the most important/valued thing you've gained from your membership?

Friendships and business relationships that have turned into new and consistent business referrals.

Please tell us any interesting fact about you that you'd like us to know.

That my pride and joy of my company is my internship program and helping the students that are about ready to graduate navigate the hospitality industry.
