

## **Cyndi Cavanaugh**

It is with a heavy heart that we inform you of the sudden passing of our fellow chapter member Cyndi Cavanaugh.

Cyndi died in a car accident on July 19th in St. Petersburg and will be greatly missed.

Cyndi was an active, dedicated and reliable 11 year MPI Tampa Bay Chapter member & 3+ year Meetings Academy committee member. Cyndi always found time to help despite her busy planning schedule with her full time job at McKinsey.

"Personally, I will always remember Cyndi as the person I met at my first Meetings Academy committee meeting. She was friendly, kind and approachable."...Jennifer L. Smith, CMP 2019/2020 MPI Tampa Bay Chapter VP of Education

"Cyndi was very passionate about Sunshine Corgi Rescue. The link to learn more about Sunshine Corgi Rescue is below. The photo below, is of Walker, Cyndi's Corgi, racing in the Corgi races which were held a couple of weeks ago. Cyndi and Joe coordinated this event together to raise money for the rescue." Joe sits on the Board of Directors.
